

St John's inspire programme

YEAR 13

The St John's Inspire Programme aims to encourage pupils with exceptional promise to aim high, to stretch themselves academically and to be confident in making well-founded applications to a top university like Oxford.

This year, we are launching our St John's Year 13 Inspire Programme. This online, interactive programme will offer new academic challenges, alongside resources to prepare you for Year 13 and university. As a member of our Year 12 Inspire Programme 2020-2021, **you are invited** to join us for our Year 13 Programme too!

- **Speak with Oxford students** in your subject area
- **Sample taster lectures** with a range of top academics
- **Develop** effective revision strategies
- **Prepare** for moving to university

What is the Year 13 Inspire Programme?

The online Year 13 programme will focus on supporting you to apply to university, offer academic tasters and revision strategies, and prepare you to make the transition from school to higher education. This programme is designed to support pupils intending to study at any top university.

Term 1: Study with Students

'Study with Students' is a group online session with current Oxford undergraduates. Work through subject-specific questions and challenges, hear from our students and ask any questions you might have!

Term 2-3: Academic Tasters & Thinking about Revision

Pursue your interests in a series of online academic tasters from Oxford scholars, in both STEM and SHAPE subjects! Our theme this year is 'Order in our World'. Additionally, prepare for your summer exams using online resources which focus on effective revision strategies. All resources will be available for you to work through in your own time, to fit around your school and revision commitments.

STEMM = Science, Technology, Engineering,
Medicine & Maths

SHAPE = Social sciences, Humanities & the Arts
for People & the Economy

Summer 2022: Moving to University

After your exams are over, you can begin to get excited for university! Our online 'Moving to University' resources will offer: testimonials from students; how-to-guides for new students; checklists for what you might need; and strategies for adjusting independent living. Prepare for your successful transition to university (wherever you choose to study!).

How do I join?

There is a brief online application form to join the Year 13 Inspire programme. When you sign up, you can also let us know the subjects you are interested in studying at university.

Please register by Friday 15th October to join the St John's Year 13 Inspire Programme

FAQs

What's the cost?

All events and resources are free to participating pupils.
