The Inspire Scholars Programme for Years 9, 10 & 11

WHY SHOULD YOU BECOME AN
INSPIRE PARTNERSHIP SCHOOL?

WHAT IS THE INSPIRE SCHOLARS PROGRAMME?

The Inspire Scholars Programme for Years 9, 10 & 11 is a super-curricular sustained-contact programme designed to raise and support your students' academic aspirations during their time at secondary school. Our varied programme offers schools a holistic package of materials that benefit students and their families, as well as teachers and school leadership teams.

Inspire 9, 10 & 11 has been developed in collaboration with schools and education professionals through our successful three-year pilot programme run in 24 Ealing and Harrow schools. Despite the pandemic, the pilot programme achieved a 100% school retention rate and an 86% student retention rate over the three years. We are now expanding Inspire 9, 10 & 11 to accommodate 150 year groups (over 2,000 students) from non-selective state schools across all of our link regions: Ealing, Harrow, East Sussex, West Sussex, Brighton & Hove, and Southampton.

We would be delighted to welcome your school as one of our Inspire Partnership Schools.

Registration to become an Inspire Partnership School is free of cost.

What does the Inspire Scholars Programme offer my school?

For School Leadership

- Sustained contact programme for your school's high-achieving students
- A demonstrated commitment to Higher Education progression
- A lasting connection with St John's College, University of Oxford
- Flexibility in delivery

For Teachers

- Career-enhancing leadership and development opportunities
- Termly Teacher Hub meetings for support, idea-sharing, and networking
- An annual Teacher's Conference
- Engaging super-curricular material
- Paid opportunities to create new programme content

For Students

- New and exciting ways to engage with familiar and unfamiliar subjects
- Transferable skills for curriculum learning
- Developed critical thinking skills
- Aspiration-raising opportunities and trips
- Confidence-boosting activities

For Parents & Guardians

- Increased confidence in supporting their child's academic potential
- Greater awareness of Higher Education progression processes

What does Inspire 9, 10 & 11 cost my school?

- Inspire 9, 10 & 11 is free to schools
- Schools receive a £250 grant to cover the cost of additional materials
- Schools receive a £250 grant for Inspire Club refreshments
- Application opportunity to Aspiration Fund grants of upto £500 (per year group, per annum) to run school trips or in-school visits

What is an Inspire Teacher Lead responsible for?

Inspire Teacher Leads are selected by Inspire Partnership Schools, and each Inspire Club year group requires its own Teacher Lead. The Inspire Teacher Leads are responsible for the following:

- Being the primary point of communication for the Inspire Programme Coordinator
- Delivering Inspire Club classes, or organising their delivery by another teacher
- Taking registers of Inspire Club class attendance
- Communicating important information to Inspire Scholars and their parents & guardians
- Attending termly virtual Teacher Hub meetings to network and share best practice
- Completing evaluation forms, and ensuring Inspire Scholar evaluations are communicated

Dr Eleanor Baker

What support will my school receive?

Inspire 9, 10 & 11 is administered by a full-time Programme Coordinator, Dr Eleanor Baker, who is based at St John's College. The Programme Coordinator will manage the delivery of the programme, communicate important information or updates, and will be the point of contact for Inspire Teacher Leads. The Programme Coordinator will also arrange termly Inspire Teacher Hub meetings to ensure teachers feel well supported, well informed, and involved in the development of Inspire 9, 10 & 11.
